# Welcoming New Patients

There are many people that do not have dental insurance. At Promenade Center For Dentistry, we want to make sure that we can help all of our patients by making dentistry more affordable and simple. We've created the Dental Savings Plan, which is an in-house discount program. This is not an insurance policy. Our in-house plan is a great value with an emphasis on preventative treatments and offers discounts on ALL services for a low annual fee. Ultimately, patients will save money and more importantly, have better oral health by having consistent dental care. We welcome you to join our dental family.

## Membership Fees
